

She smiles,  
because she knows  
that every  
moment of every  
day, she is being  
held by the  
great Goddess,  
as tenderly and  
lovingly as a  
mother holds her  
baby...  
She smiles because  
she knows she is  
loved just as  
she is...

*May you always know this to be true.*
